# LEARNING TECHNOLOGY SERVICES

meeting today's learning & development challenges

## OPTIONS FOR GOING ONLINE OR HYBRID

### DETERMINE NEEDS

Conducting a fresh needs analysis will help to identify your current state with smart recommendations for a path forward.

### CREATE IMPACTFUL LEARNING

Creating single courses or a broader curriculum, your instructional offerings will come to fruition. And with your resources already stretched, this work can be done for you with an eye for design.

## SO, YOU WANT TO TAKE IT TO THE NEXT LEVEL. WHAT'S THE NEXT STEP?

*By working with an experienced digital learning strategist, you can fortify and expand your organization's learning & development options. Rollout a long-term sustainable strategy with your existing infrastructure or entirely new tools.*

## CONNECT TO A WORLD OF LEARNERS

### CAST A WIDER NET

Publishing with varied modalities, you can provide online or hybrid programs to internal or external learners. With a little marketing, you can reach anyone where distance is no longer a barrier.

### WELCOME THE HELP

Partnering with a leader in digital learning, you can appreciate the benefits of all that educational technology offers. It can be a lot on your own--sometimes you need a helping hand. Just ask.
